### WHEN ORDERING:—

THE PAGE containing the model approved should be torn out and forwarded WITHOUT THE BOOK and a cross (X) marked against the material and price selected.

THE PRICES QUOTED are for costumes lined with sateen, or soft muslin. Silk Linings cost Two Guineas extra.

MOURNING OR HALF-MOURNING COLOURS can be substituted for any of the other colours suggested

VARIATION IN THE DETAIL of any of the models can be made, and a sketch of the suggested alteration, with estimate of cost, submitted—free of charge.

SUGGESTIONS are invited from customers desiring the production of a costume from their own design; and estimates of cost are sent free of charge.

The use of embroidery as applied to the varying contours and lines of each costume is made a special study. The patterns are the exclusive property of the Company and can be chosen from a full range of original designs drafted in the Costume Studio.
